Trade Vortex

STEPS TO REGISTER :

To make sure you are able to participate in the trading competition, follow these steps -

1) Register/ Get access here - https://community.stockgro.club/form/02c6782e-efef-4acb-a2e2-0c63f1967525

2) Login to the StockGro Application or a web login.

3) After 5 minutes of login, spot the league - EVENT NAME in the Upcoming section of the app.

4) Start trading from DATE , TIME.

COMPETITION RULES :

1) PrepZone specific 'Transaction Charges' are levied on the total turnover (Total Value of Stock Bought).

2) Winner decided on basis of absolute return on total portfolio value i.e. (returns generated) / (invested amount + cash balance).

3) Stocks bought before the PrepZone starts, will be queued in the order page of the portfolio.

4) All the pending orders in the order page will get executed when the PrepZone begins.

5) Earnings of this PrepZone are credited as Bonus.

JUDGING CRITERIA :

Winner decided on basis of absolute return on total portfolio value i.e. (returns generated) / (invested amount + cash balance).

P.S. : Kindly ensure that all the students are Enrolled in the league before DATE , TIME to not miss the opportunity!

"No one will be able to join once the league starts regardless if they have registered on the form or not."

Please take note : If you can locate the EVENT NAME in your 'My Prep Zone' section, this indicates successful enrolment. If not, please revisit the steps.

To get a headstart, we recommend joining soon & familiarising yourself with the app.

Here's a video tutorial for the same -
